

# STOP CREATING PHISHY EMAILS!

**Give warning  
about  
important  
emails!**

**Don't create a  
sense of  
urgency  
unnecessarily.**

**Try to use  
security-  
conscious  
products.**

**Use the  
K.I.S.S.  
method when  
formatting an  
email.**
